Barlow Fair—Sept. 26th and 27th.

One of the strongest attractions of the season coming to the Opera House is that of Mr. Robert B. Mantell and his company who will appear here next Thursday night. Hamlet has been selected from Mr. Mantell's repertoire, in which to display the wonderful power in stage realism of America's greatest tragedian.

Elks' Carnival.

The big attendance at the Carnival yesterday afternoon consisted of a large number of little boys and girls, who from the happy expressions on their faces indicated that their curiosity of expectation was being satisfied. They were immensely pleased with the free performance of Edw. Muslin's trained pigs and sheep, and the high dive by Professor Lotto held them speechless for the time being as it has everyone who has seen him make it. There was an enormous enthusiastic and hilarious gathering of people at the Carnival last night. There is no denying the fact that the "German Village" of the Carnival is a decided genuine novelty and it has been liberally patronized. The German Village occupies three good-sized tents and the stage on which the continuous vaudeville performance is given every afternoon and night is so located that no matter where you are in the tents, you have a good view of the stage. The decorations of the German Village are arranged tastefully and are pleasing to the eye. There are many tables and chairs for the audience who can if they wish have refreshments served to them while they are being entertained by the Wilson trio of German comedians in songs and funny dialogue in which they have won the plaudits of the thousands who have attended these performances during the week. The same compliment can be bestowed upon Miss Rose Kasten for her choice selections and singing of the other acts. Darling's Pony and Dog Circus, which has won much favor will for the last two days of the Carnival, tomorrow and Tuesday afternoon and nights, arrange a complete performance of his trained Ponies, Dogs and Monkeys, which will include the Military Drill by the Ponies, hurdle races, monkey jockeys, waltzing and wrestling ponies, and the celebrated dog pony rider, and other acts of merit. This trained animal circus is one of the neatest on the road. The performance will commence at two and eight o'clock and every one attending is guaranteed a reserved seat. Another show was put up at the Carnival yesterday by Wyvell's who has on exhibition Ching Wah, the Chinese Midget, claimed to be the smallest man in the world, and the two-headed giant mummy from Patagonia. All of the other shows of the Carnival which have been commented upon during the week, report having done a good business.

These are Farmer Jones' musical pigs, Queen Deborah, and her fortune tellers, Tascio the snake eater, Hi Ki the wild man, the Parisian novelties, The Statue Turning to Life, the Palace of Electricity, the Theatre of all Nations, the merry-go-round and the Ferris Wheel.

Tomorrow and Tuesday afternoon and nights are the last two days of the Carnival.

Robt. B. Mantell.

With a specially selected company, Mr. Robert Mantell, under the management of Mr. M. W. Hanley, will be seen at the Auditorium next Thursday night. That Hamlet has been selected from Mr. Mantell's repertoire will be pleasing tidings for the lovers of classic drama. Mr. Mantell's realistic portrayal of Hamlet has not been equaled on the American stage in many years.

L. M. LUCHS, Mgr.

Trains on M. C. & C. R. R. will run at excursion rates at such a time as will convenience all wishing to attend the Barlow Fair Sept. 27th.

Attention! 77th O. V. I.

The twenty-ninth annual reunion of the survivors of the 77th Ohio, which takes place at Lowell, O., next Thursday and Friday, Sept. 26th and 27th promises to be one of the best in the history of the organization. The local committee at Lowell have spared no pains or expense to give the battle scarred veterans of the 77th and all veterans of other regiments who come there a warm greeting and a royal time as Mr. J. W. Brabham, the chairman of the Executive Committee says: "everything is booming" to give the old boys a good time, good speaking, good music, rousing camp fires and all that goes to make a good time.

Mr. Brabham telephoned Captain L. J. Cutter late Saturday night that he had received notice from Mr. H. C. Donald, of the Central Passenger Association at Chicago, that he had ordered a one and one third fare for the round trip, from points within a radius of 50 miles from Zanesville on the following railroads: C. & M. V. R. R., C. A. & C. R. R., C. L. & W. R. R., C. H. V. & T. R. R., O. & L. K. R. R., Ohio Central lines, Pennsylvania Co., lines and W. & L. E. R. R., tickets good going September 26 and 27, good returning up to and including Sept. 28th.

This is a new feature in regimental reunions and it is hoped that the veterans will avail themselves of this opportunity and attend this grand reunion of one of Ohio's noble regiments who fought so valiantly and won great honors in their four and a half years service during the Civil War. (Exchange please copy.)

WEAKNESS

Of Amalgamated Copper Had an Unsettling Influence.

By Associated Press. New York, September 21.—The acute weakness of Amalgamated Copper was an unsettling influence on the whole market today. The stock closed at 100 1/2, a net loss of 6 1/4 for the London account was also a depressing factor.

A brisk bidding up of local traction stocks was the only notable influence toward the advance. A lively demand for L. & N. and Union Pacific steadied the market, but the closing was irregular and with the net days changes mixed.

U. S. refunding 2's advanced 1/2 and New 4's one per cent.
